## MATISSE

Only the finest quality pigments and ingredients are selected for the *Matisse Structure* and *Matisse Flow* ranges of premium artist acrylic colours. All have the highest lightfastness rating of ASTM 1 or 2. All Matisse paints are fully compatible with the range of Matisse Mediums working together to create a highly versatile painting system for all artists.

### Matisse Structure Formula

**Matisse Structure Formula** is a rich impasto paint that artists love. It is ideal for application with a brush or palette knife for striking textured effects. The vibrant colours of the Structure range cover the full colour spectrum, with several uniquely Australian colours.

### Matisse Structure Sets:

### Matisse Mediums

**Matisse painting mediums** make the Matisse Structure and Flow formulas even more versatile. The range currently consists of 30 mediums, making everything truly possible with Matisse.

### Matisse Flow Formula

**Matisse Flow Formula** has all the attributes of the Structure Formula but with a thinner viscosity to allow free flowing brushstrokes or airbrush use.

### Matisse Background Colours

**Build your art** on a strong foundation. Matisse Background Colours are all-purpose pure acrylic that can be applied to almost any surface. They are a highly pigmented low tooth gesso.

### Matisse Inks

**Acrylic based inks** that come in 22 stunning and intermixable colours, including metallics and iridescents! These bright, intense colours are heavily pigmented for use in many applications - calligraphy, pen and wash, technical drawing and airbrushing as well as watercolour techniques on paper and painting on prepared canvas.

## DERIVAN BLOCK ink

Derivan Block Ink has the perfect consistency for lino or wood block printing and transfers and will allow sharp, accurate prints onto paper. It is non-toxic and easy to clean up while still giving the feel of a professional grade oil-based printing ink. Derivan Block Ink has been formulated for lino and wood block printing on paper. Derivan Block Ink will remain open on the block for some time but once printed will dry quickly. If a longer open time is required, mix Derivan Drying Retarder to slow the drying time.

### FEATURES AT A GLANCE

- No harmful solvents
- Water-based
- Easy to use
- 10 bright, vibrant colours
- Intermixable
- Classroom-safe

## DERIVAN Screen ink For Fabric

**Derivan Screen Ink** is a totally water-based silk screen printing ink. It has been formulated as a safe, non-toxic ink for fabric, and can be used in the classroom or at home safely without the worry of being exposed to harmful solvents such as white spirits, turps, or thinners. Derivan Screen Ink washes up in water (before it is heat set) but has excellent rub resistance and lightfastness once heat set.

## DERIVAN AVSCREEN AUDIO VISUAL SCREEN PAINT

**No need to buy expensive AV screens anymore!** Save hundreds of dollars when you convert your walls or any flat surface into a high quality AV screen using the two part AV screen paint system from Derivan - AVScreen.

Independent testing by the CSIRO has shown that AVScreen not only outperforms similar products available overseas, but also outperforms commercially available screens, with the highest colour reflectivity results in the visible light spectrum.

## DERIVAN liquid pencil

Have you ever been sketching and wanted to cover a larger area quickly? Or wanted to just vary the tone very subtly similar to using a water-colour? Well Derivan Liquid Pencil is capable of all these things and more.

Derivan Liquid Pencil is an innovative new product that allows you to create authentic graphite pencil effects and pencil sketches using a liquid. It has been formulated to be easily thinned with water or MM9 Acrylic Painting Medium (to maintain permanency) and allow for the softest of colours to be applied with a brush, nib, or other art tools.

### FEATURES AT A GLANCE

- Revolutionary new product
- Available in 6 subtle shades
- Each shade comes in rewettable or permanent versions

## DERIVAN MiNiS

**Derivan Minis** have been scientifically formulated for model and miniature painters. There are 72 colours available in this range of colours that have been developed with leading gaming enthusiasts. Derivan

MiNiS are acid free, archival quality acrylic paints that can be applied to most surfaces, including plastic, metal, wood, paper, cardboard, canvas, wood and stone.

### FEATURES AT A GLANCE

- Convenient 36ml twist-top bottles
- Exceptional covering power
- Dries to a smooth matt finish
- Just use water to wash up
- Unique dispensing cap
- Non-toxic
- Lightfast (will not fade)

**Tim Gratton's Face and Body Paint** is a professional-grade, safe, and non-toxic body paint which conforms to Australian and European Community cosmetic regulations and Australian Standard

1647.3. Available in 75ml tubes and 250ml jars, 20 intermixable colours including iridescents are available for endless options.

## DERIVAN Artist

Finally there's a range of professional quality acrylic paints available to artists at the one competitive price. Artists who like to lay it on thick will love the impasto body of Derivan Artist paints. With a painted thumbprint of colour on each tube and an ASTM lightfast rating of 1 or 2, the range of 23 colours will be an easy choice. Derivan Artist – Affordable quality.
