

Derivan Brush Sets

Derivan has a selection of brush sets, available in long and short handle, to cover all painting styles used by artists, hobbyist and students alike. All sets are packaged in a recyclable see-through hang sell box and each pack has a clear and helpful description of its contents, its uses and basic brush care advice on the back, facilitating the customer's and sales staff's best informed choice for the task at hand. Derivan Brushes come in a variety of shapes and sizes, finished in Bristle or Synthetic Hair styles.

Derivan Concertina Sketchbooks

Create a dynamic storybook piece with your illustrations, text and collage. Span and connect your ideas in one continuous format rather than separate sections or record a landscape, cityscape or seascape in one panoramic view. These concertina style sketchbooks are finished with heavy black covers and an elastic fastener to easily keep it safe for transport and storage.

Derivan Pencils & Pastels Sets

Watercolour, Drawing, Sketching, Soft Pastels, Oil Pastels..., Derivan Pencils and Pastels Sets have been specifically selected to enhance your artistic needs. Whether you are a beginner or more advanced artist, our sets supply a basic rendering range of quality products that will help turn your creative ideas into reality. Wrapped in a colourful hangsell pack, all pencils and pastels are securely presented in a tin case.

Derivan Art Pads

The **Derivan Pads** range has all your techniques covered, whether you would like to sketch, add a bit of colour or reverse render your painting studies, there is a pad to assist you developing your next or initial creative step in your artwork. Available in 3 different styles, Drawing, Watercolour and Black in A2 (Drawing only), A3, A4 and A5 sizes with a heavyweight cardboard backing to provide a stable sketching support.

Derivan Oversized Visual Diary

Just big enough to fit comfortably all your A4 handouts without trimming, but not too big for your bag. This new oversize A4 Visual Diary contains a medium surface 110gsm drawing paper obtained from a highly renewable and sustainable resource that is Bamboo fibre. The softer off-white finish and its medium tooth is an excellent drawing surface for pencil charcoal or dry pastel. A larger diameter wire binding will easily accommodate all those extra notes, diagrams or drawings pasted inside.

Derivan Hard Cover Sketchbooks

The Derivan range of hard cover sketchbooks have a unique black soft rubber cover finish. With a certain industrial design charm, the cover remains water resistant and is easier to hold. Available in two distinct versions, **Classic Unlined** and **Tissue Interleaved**, both bound with acid-free, medium tooth, sketch paper. Both

versions are completely acid free, you can be assured that your creations will be available for years to come as the paper will not yellow or deteriorate with age.

Derivan Wood Panels

Derivan Painting Panels are classic wood painting panels suitable for a variety of painting and drawing media and techniques. The stable and rigid surface is also a great support for mounting prints, photographs, canvas or other mixed-media works.

The range of Derivan products include the world's first "student grade acrylic" as well as a range of non-toxic Block Ink and Screen Ink colours created primarily as an alternative to other similar products containing solvents. Innovative products also include the Derivan Liquid Pencil range, a uniquely formulated fluid graphite formula, a cosmetic grade Face Paint and a vast selection of acrylic mediums and auxiliaries.

Derivan integrated Acrylic, Oil and Watercolour range

Introducing our first integrated range of acrylic, oils and watercolour paints. The 24 colours available, including uniquely Australian colours, cover the full spectrum demanded by artists and are consistent across all three ranges.

Derivan Acrylic is a professional range of acrylic colours designed to be water-resistant and lightfast. Derivan Acrylic colour range is equivalent in colour strength and permanency to most professional grades of paint. Use in combination with the Derivan Painting

Mediums range, or, for a wider choice of mediums, the Matisse Artists Medium range. Derivan Acrylic will give you equally fantastic results used as a thick impasto paint or with the use of water and mediums as a watercolour, screen printing ink on paper, airbrushing, or fabric paint.

FEATURES OF THE RANGE AT A GLANCE

- 24 colours in each range.
- Unique Australian hues across all three ranges.
- Single-series classification.
- ASTM I or II for all colours ensures that the colours are lightfast and permanent over time.

Derivan Oil Colour is a professional range of artist oil colours that are permanent and lightfast. Cleaner, brighter mixtures provides an infinite range of hues. Derivan Oil Colour will give, likewise, brilliant results used as a thick impasto paint or with the use of oil mediums to achieve glowing glazing effects. Triple-milled pigments —dispersed in pure linseed oil— allows Derivan Oil Colour to be equivalent in colour stability and permanency to most artists professional grades of paint.

Derivan Watercolour

colours have been manufactured using a careful selection of pigments to preserve the characteristic tradition of watercolours' quality of transparency, excellent light fastness, clean color mixing and intense blends. Created to understand the role of water in using watercolour and the play of Australian light on colour. Derivan Watercolour colours are the result of precisely selected pigments dispersed in a fluid solution of pure Gum Arabic and the addition, in some cases, of Oxgall, which ensures optimal flow off the brush of the Derivan watercolours.

MEDIUMS

Derivan Mediums add even more versatility to the Student and Derivan Acrylic ranges, unlocking the door to many different techniques. The range offers a variety of mediums to help change and manipulate acrylic colours so that any artist can achieve almost any painting effect.

- Spreader.
- Impasto.
- Print Gel.
- Gesso.
- Gel Medium.
- Retarder.
- Polymer Gloss Varnish.
- Viscosity Thickener.
- Fabric Fixative.
- Pre-Antiquing Medium.
- Water-based Cracking Medium.
- Polymer Matt Varnish.
- Clear Sealer.
- Block Ink Medium & Extender.

liquid pencil

Have you ever been sketching and wanted to cover a large area quickly? Or wanted to just variegate the tone very subtly similar to using watercolour?... well, **Derivan Liquid Pencil** is capable of all these things and more.

Derivan Liquid Pencil is an innovative new product that allows you to create authentic graphite pencil effects and pencil sketches using a liquid. It has been formulated to be easily thinned with water or MM9 Acrylic Painting Medium (to maintain permanency) and allow for the softest of colours to be applied with a brush, nib, or other drawing tools.

FEATURES AT A GLANCE

- Revolutionary new product.
- Available in 6 subtle shades.
- Single-series classification.
- Each comes in Rewettable or Permanent versions.

The three products in the **Derivan Fabric Art** range (Paint, Markers & Dimensionals) have been designed for you to customise and create unique designs on most fabrics.

Transform fabric items such as t-shirts, canvas shoes and pillowcases into unique and wearable statements. Derivan Fabric Art Paint is totally water-based and formulated as a safe, non-toxic paint for fabric. Available in 13 colours, this non-toxic water based range is the first step in creating designs with colour on any fabric.

BLOCK ink

Derivan Block Ink has the perfect consistency for lino or wood block printing and transfers and will allow sharp, accurate prints onto paper. It is non-toxic and easy to clean up while still giving the feel of a professional grade oil-based printing ink.

Derivan Block Ink has been formulated for lino and wood block printing on paper. Derivan Block Ink will remain open on the block for some time but once printed will dry quickly. If a longer open time is required, mix Derivan Drying Retarder to slow the drying time.

student acrylic paint

Derivan Student

Acrylic Paint is able to be used for a wide range of art and craft applications. More than just a craft paint, the bright, opaque and colour range in Derivan Student Acrylic Paint will impress all artists. Suitable for application on a variety of surfaces, including paper, cardboard, wood and canvas, it is great as an introductory range for young artists and as an easy-to-use range for all hobbyists and craftpersons.

FEATURES AT A GLANCE

Ergo Pro

By DERIVAN

Derivan Ergo Pro Brush Illustrator Markers

will enhance your artistic or illustration experience. As the name suggests these markers are perfectly balanced for ease of use. The tips are firm and allow the ink to flow at a smooth and even rate, which is important when covering large areas with colour or creating shading effects. They are also fade resistant, waterproof and acid free when dry. Available in 96 colours, including shades of warm, cool and basic greys.

Tim Gratton's Aquacolour is a professional grade, safe and non-toxic body paint which conforms to Australian and European Community cosmetic regulations

and Australian standard 1647.3. Available in 75ml tubes and 250ml jars, 20 intermixable colours including iridescents are available for endless options.

KINDYGLITZ

Derivan Kindyglitz is an acid-free, archival quality glitter glue, great for adding a little glamour to your paper craft, card making and scrap booking projects. It can be applied to all card and paper surfaces, drying to a relatively flat finish. Derivan Kindyglitz is safe for children to use.

Great for adding a little glamour to paper craft, card making and scrap booking projects. The **3D Kindyglitz** range can be applied to all card and paper surfaces, as well as glass and acetate, drying to a raised 3D appearance.

3D KINDYGLITZ

- Water-based.
- Non-toxic.
- Acid-free.
- Archival quality.
