PROJECT SHEET

www.derivan.com.au

YOU WILL NEED

- Derivan Face & Body Paint 40ml in white, purple, black, yellow & blue.
- Derivan Professional Brush Set #1
- Sponge.
- Mixing palette or plastic plate.

Recommended:

Face & Body Butterfly & Flower Set.

METHOD

STEP 1

Use blue and yellow face paint and mix them to make green. Now use the liner brush (from the brush set) to paint scroll lines around the face.

STEP 2

Use the pointed round brush in the set, load the brush with purple, now dip the tip of the brush into the white leaving the base of the brush full of the purple -this is called the double loading technique.

STEP 3

Simply press and lift the brush to create the two coloured flower petals of the flower design as in the picture.

STEP 4

With the pointed round brush in the set use the double loading technique but this time use green and yellow. Surround the flowers with green leaves.

STEP 5

Use the end of the brush handle to add white and yellow dots in the center of the flowers.
