## Scrapbooking with Derivan

### Christmas Celebration

Rating: Beginner

#### You will need:

- Derivan Kindy Glitz: gold, red and green
- Photo of choice
- Acid free card stock: red, green and gold (30.5cm x 30.5cm)
- Mulberry paper: red, green
- Stencil: Christmas design
- Lead pencil
- Acid free glue stick
- Making Memories - Simply Stated rub on letters "Heidi"
- Photo tabs
- Paper trimmer (optional)

#### Step by Step Instructions

1. Trim photo using scissors or paper trimmer.
2. Add photo tabs to corners of photo.
3. Mat the photo onto the red mulberry paper leaving approximately 2cm to the left and bottom of the image.
4. Carefully tear mulberry paper around the paper. This does not need to be tidy - a little rough is good. Even out if necessary.
5. Put photo tabs on the back of the mulberry paper, but only where the photo is as the tabs will show through.
6. Mat onto gold cardboard.
7. Trim gold cardboard to fit evenly around the photo.

8. Cut out letters for Merry Christmas using scissors.
9. Rub letters onto green mulberry paper. Alternatively, you can just use Kindy Glitz to create your own lettering.
10. Tear around paper as before.
11. Mat green mulberry paper onto red cardboard using acid free glue stick.
12. Trim red card around green mulberry paper evenly ensuring small enough to fit on frame page.
13. Plan layout of page using the various elements, including photo, words and stencil elements.
14. Mat photo and words onto green cardboard using photo tabs, ensuring they are evenly aligned on the page.
15. Using the stencil, lightly trace around Christmas tree, star and holly.
16. Using Derivan Kindy Glitz, trace around the elements starting each time on a scrap of paper to clear the nozzle.  
Berries: Derivan Kindy Glitz Red  
Holly: Derivan Kindy Glitz Green
